Emergency and Medical Service

Contact the Emergency Assistance Service on +44 1733 224 892

In the event of **Your Bodily Injury** or **Serious Illness** which may lead to in-patient hospital treatment or incur expenses over €500 or before any arrangements are made to extend **Your Trip** or any arrangements are made for repatriation or in the event of **Curtailment** necessitating **Your** early return to **Your Home** area **You** must contact the Emergency Assistance Service. The service is available to **You** and operates 24 hours a day, 365 days a year for advice, assistance, making arrangements for hospital admission, repatriation and authorisation of medical expenses. If this is not possible because the condition requires immediate emergency treatment **You** must contact the Emergency Assistance Service as soon as possible. Private medical treatment is not covered unless authorised specifically by the Emergency Assistance Service.

Medical Assistance Abroad

The Emergency Assistance Service has the medical expertise, contacts and facilities to help should **You** be injured in an accident or fall ill. The Emergency Assistance Service will also arrange transport to **Your Home** area when this is considered to be medically necessary or when **You** have notice of **Serious Illness** or death of a **Close Relative** at home.

Repatriation of Patients

If, in the opinion of **Our Medical Adviser**, it would be preferable to repatriate a patient to **Ireland**, **We** will organise the repatriation. If **You** do not comply with this decision **We** reserve the right to withdraw cover with immediate effect.

The decision on the method of repatriation will be at the discretion of Our Senior Medical Officer subject to consultation with the doctor in attendance.

Remember that in the case of patients requiring repatriation, the attending doctor must provide a certificate confirming that the patient is fit to travel, since without this the airline company operators reserve the right to refuse to carry any sick or injured person.

Payment for Medical Treatment Abroad

If **You** are admitted to a hospital/clinic while abroad, the Emergency Assistance Service will arrange for medical expenses covered by the policy to be paid direct to the hospital/clinic. To take advantage of this benefit someone must contact the Emergency Assistance Service for **You** as soon as possible.

Reciprocal Health Agreements

If **You** are an Irish resident **You** are entitled to health care through the public system in countries of the European Union (EU), European Economic Area (EEA) and Switzerland if **You** become ill or injured while on a temporary stay there.

If **You** are travelling to another EU /EEA country or Switzerland, **We** strongly recommend **You** apply for and obtain a European Health Insurance Card for yourself and/or family and make sure that any medical treatment is provided at hospitals or by doctors working within the terms of the reciprocal health care agreement, unless the Emergency Assistance Service agree otherwise. If **You** are admitted to a private clinic **You** may be transferred to a public hospital as soon as the transfer can be arranged safely.

If **You** are travelling to Great Britain or Northern Ireland **You** do not require a European Health Insurance Card to obtain the necessary healthcare but need to provide proof that **You** are ordinarily resident in **Ireland** (in practice this means a driving license, passport or similar document).

If **You** are currently a VHI, Irish Life and Laya Healthcare member **You** must notify the relevant private medical insurance assistance company at the time of claiming as per contact details below.
